

Camps International: Your Fundraising Story

Hi there! Thanks for getting in touch.

We always love to hear how our fabulous fundraisers are getting on!

Now you're here, tell us a little about your story - simply follow the **four step** instructions below to get started:

1

Fill out the boxes on the next pages to tell us more about your fundraising activities. Write as much detail as you can and if you need more space, feel free to add another page.

2

Once all the boxes are filled in, don't forget to attach some images to go with your story. Include at least four images (or if you have more, even better!). These should be as high quality as possible, ideally at least 1MB in size.

3

(Optional)

We'd love for you to tell us your story on camera too. **Don't be shy!** You can simply film a selfie video telling us what you've been doing or put together a mini-vlog with footage of your fundraising activities.

For some inspiration, check out these videos from some of our previous fundraisers: [Zulema](#) and [Joseph](#)

Send this completed template and your images to us at submissions@campinternational.com.

You'll be in with the chance of bagging yourself some Camps merch! **WOO!**
